Boys' cassimeres, worsted and Scotch cheviot suits; age 14 to 18, from \$6 to \$12.50.

The past few days have been the first real overcoat weather that we have had this season, consequently there has (compared to past fall seasons) been very few overcoats sold, for customers are by overcoats in warm weather as by umbrellas when it is not raining. But as the holidays are drawing near and a nice, warm overcoat makes an elegant Christmas present, we will remind you that on our clothing tables this week are 385 overcoats, at prices that defy competition. We have them in all styles, from a heavy ulster to a fine satin-faced light-weight.

We are continually recrafting our lines of fine Scotch cheviot, fancy worsted and cassimeres suits, both in square and round corner sacks and 4-button cutaway suits.
